**IF JEWS ARE OUR MISFORTUNE**, then Supreme Court Justice Ruth Bader Ginsburg is Jewry's chief architect of America's woes.

In a clear **violation** of judicial protocol, Ginsburg **told** an audience at the University of Minnesota Law School that if the Sixth District Court of Appeals rules in favor of same-sex marriage, there will be "no need for us to rush" on a decision on the definition of marriage.

"If however," Ginsburg **added**, the Court that **covers** Kentucky, Michigan, Ohio, and Tennessee "upholds" the centuries-old, natural definition of marriage as one man and one woman, "there will be some urgency" to "step in sooner."

Liberty Counsel **contends** that Ginsburg **violated** the Judicial Code of Conduct since judges are not to make public comments on pending cases especially saying which way they would vote before hearing the merits of the matter. Thus Ginsburg should recuse herself from all cases that involve homosexual and lesbian marriages.

Mat Staver, head of Liberty Counsel, **added** that since Ginsburg has **officiated** same-sex marriage ceremonies she consequently brings her own personal experience to the bar which would compromise *objective* adjudication.

Staver **cites** **Canons 2** and **3** of the Judicial Code of Conduct which explains that judges are not to allow outside influence to impact their judgment nor to make public comment on the merits of a pending or impending action.

"A judge should comply with the law and in a manner that promotes public confidence in the impartiality of the judiciary, the code reads," **says** Staver. "A judge should not allow social and political relationships to influence judicial conduct or judgment."

But what Staver doesn't get, (Liberty Counsel is a Zionist-Christian, **Jew-loving** legal lobby), is that Ginsburg is part of a "social and political" alliance—JEWRY—that **agitates** for the destruction of the White Christian family via homosexuality.

While Staver **censures** Jew judge **Richard Posner** of the 7th US Court of Appeals for **ruling** that marriage between a man and a woman derives from "a tradition of hate," Staver fails to see that Posner—AS A JEW—assaults the **Biblical definition** of marriage.

**THE ONGOING ASSAULT** on God's creational design for the perpetuity of the human race is a key component of Jewry's **dismantling** of a White Christian power bloc that would oppose the Jew's role in forming domestic policy and shaping our nation's culture.

In a nation of sissies, fags, dykes, and queers, the Jew takes the upper arm of control.

And while Jews like Ginsburg and Posner wreak more destruction on our Jew-ruined nation....Zionist-Christian dupes like Staver continue to worship the Jewish beast.

Dear Real Jew News Family,

JEWS have RUINED our nation. JEWS are PUSHING deviant sexual behaviour. Jews are RULING in court to obliterate God's design for the perpetuity of the human race.

Indeed, it is in the POLITICAL realm that the values of The Church are being attacked. AND IT's wretched Christ-hating JEWS that are LEADING the ASSAULT.

I grew up as a Jew and I KNOW (better than anyone) what the Jew Agenda is:

TO DESTROY a White Christian Power Bloc that is the ONLY bloc here in Jewmerica that can OPPOSE the Jew from ruining our country.

I am simply EXPLAINING and EXPOSING what the JEW AGENDA IS.

"American Jews are committed to cultural tolerance because of their belief, one firmly rooted in history, that Jews are safe only in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups.

"It is this belief, for example, not approval of homosexuality, that leads an over-whelming majority of American Jews to endorse "gay rights" and to take a liberal stance on most other so-called "social issues." — Charles Silberman, A Certain People: American Jews and Their Lives Today, 1985

What Silberman is saying here is: the more corrupt and degraded a society is the more cozy Jews feel. That in itself is the highest degree of selfishness and evil; however, Silberman's confession is only partial truth.

Jews are destroyers, not only for their comfort level, but also to establish their reign over all other peoples.

Since God won't raise them up, they must beat everyone else down.

Real Jew News is right about Mat Staver and the Liberty Lobby who are Christian Zionists who cannot see the full picture about the Jewish onslaught on Christian America and White people and individual freedom of all people on a global level.

Mat Staver and the Liberty University have been supported by Jews and Mat Staver is a spineless man who is not able to focus on the real Jewish issue because he is a Zionist puppet.

Zionist Jews simply hate Christians!

The quote from Brother Nathanael: "JEWS have RUINED our nation. JEWS are PUSHING deviant sexual behaviour. Jews are RULING in court to obliterate God's design for the perpetuity of the human race," is just one example how they secretly but surely DESTROY everything for their father (Devil).

He must be very proud with children like this, but others don't have to follow them; and when they do that they deserves the same punishment.

@Zebo

The reason Jews are ugly is because of they're God-forsaken. They have been forsaken by God due to the sin of Deicide.

Even a person of deformity, like Down syndrome people, you can still discern grace on their faces, gentility and innocence. But the Jews, you can see clearly evil, hence incredible ugliness.

+BN had already expounded this topic in his earlier video.

"In a nation of sissies, fags, dykes, and queers, the Jew takes the upper arm of control.

And while Jews like Ginsburg and Posner wreak more destruction on our Jew-ruined nation....Zionist-christian dupes like Staver continue to worship the Jewish beast." BN

The above is distilled truth; just add brainless women to the mix and it will be complete.

Only a society run by Jews could could elevate Negroid and homosexual/faggot worship beyond anything more than a radical fringe movement of neurotic psychopaths and the weak minded.

The Zionist-christian dupes are a huge part of the problem. They are the enablers who idolize football and the Jewish entertainment industry.

Speaking of football, die Juden are screaming non-stop now about the off field violence of one magic Negro sports star after another as if they really care.

They are now working day and night to lay the blame at the current commissioner's feet. They want this NON-JEWISH NFL commissioner out.

With about 35% of the NFL teams now under ownership of die Juden, you can bet the next commissioner will be another tribal comrade just like the current professional baseball and basketball commissioners.

September 21, 2014 @ 2:04 pm

"In a nation of sissies, fags, dykes, and queers, the Jew takes the upper arm of control." Wow not mincing words, Brother, lol.

Sadly though it's so true. I think many liberal Jews have a sincere sympathy toward the gay rights movement while others use homosexuality as a way to trick the "Goyim." Either way it's an example of the cultural Marxism which the Jews have inflicted on American cultural life.

And I would say many (though certainly not all) gays love the Jews as well, because they are some of the biggest cheerleaders for many Jewish figures and pols.

The Jews and the gays are in many ways intertwined.

## The Elder of Zyklon-B

September 21, 2014 @ 5:37 pm

In order to survive, the Jews have to weaken, pervert, and make the rest of mankind sick.

In true parasitic fashion, they are compelled to do this especially to traditional White nations, which is where they have concentrated their efforts.

Dear +BN,

God bless you for a valuable article on the problem of 'judicial activism from the bench' and showing us an example of how Ginsburg works it.

I have to agree that Staver in particular, and Zionist-christians in general, are completely blind to the Jews.

In the Juden-Evangelical alliance, they are bumfuddled by the emotionally-charged politically potent, but theologically impossible, "Judeo-Christianity" of Falwell

Falwell decided to use the term to mollify the ADL after Fauxman challenged Falwell on his use of "Christian Nation."

God bless!

This Babylonian witch Ginsburg reflects a deeeeep hatred on her ugly face.

If she is a public servant and would be serving others, her face would reflect a happy face to serve and make others around her into society happy.

However her evil face looks like she is cursing that phony couple. They may not be real, but sure her face depicts a deeeeep hatred not a happy face.

When one wants to make others happy that happiness is reflected in our eyes, our faces. **She has a halloween face' ugly mask'**

Thank you. Love and peace on earth!

## Questioner

September 21, 2014 @ 9:11 pm

This Witch is so patently disgusting in all respects that it is hard to believe she could get a job as a dog-groomer, much less a legal position of the highest order.

Everything about her reeks.

Should America not save itself from the Goons of Joo-ry, soon enough, the entire Judicial system will be filled to the last Seat of Injustice with such specimens of "Chosen-ness."

## Questioner

September 21, 2014 @ 9:53 pm

When our Christian Grandparents worked furiously to lift their children out of poverty in the first half of the 20th Century, they never dreamt that one day Jews would make all of their hard work meaningless.

**Now, because of Jewish depredations... we are no longer the ones to control our children's destiny.**

**If we do not seize our country back, from the devil's own that rendered our children slaves to their evil new world order, our Grandparents in the next world will point their fingers at us as well, in condemnation of our cowardice and failure to hold what they built.**

Compared to eternal scorn and shame from beloved ancestors, you would think being hated by Jews working for their true father the Devil here in this plane would be seen as simply a badge of honor.

## B

One of the greatest same sex marriages in all of history is the same sex marriage between the Zionists with the Nazis, as both are very much the same thing and both are very much married together in history.

I believe that the Zionist could be easily stopped in many of their evil activities by simply making better known more of what the Zionists have actually stated and written in the past as it is related to what actually happened soon after, and in particular what was written by the original Zionist founders.

Regarding my prior post about the possibility that the Zionist made World War Two in Europe beginning with the 1929 USA Great Depression in order to more quickly increase the very low 1929 Jewish population level in Israel, given below is a "small partial" copy of the Zionist founder Theodore Herzl writings that seems to support my prior post's theory ( as I copied this from the web page as follows ):

SMALL PARTIAL COPY STARTS HERE:

Zionist founder Theodor Herzl (1860-1904) said:

**"It is essential that the suffering of Jews... becomes worse... this will assist in (the) realization of our plans... I have an excellent idea... I shall induce anti-semites to liquidate Jewish wealth.... The anti-semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-semites shall be our best friends."**

In 1920, other Zionists voiced similar ideas, including Nahum Goldmann, later president of the World Zionist Organization and World Jewish Congress head. Israel's first president, Chaim Weizman, said Germany had too many Jews.

In 1921, Jacob Klatzkin called for German Jews to undermine Jewish communities as a way to acquire a future state.

Some time ago I noticed that Jewish people often appear awkward, physically unhealthy, and despite the mythology from the Jewish press, not very intelligent.

For example, they have lots of money, which would normally translate into lots of medals for Israel at the Olympic Games, but in their case it does happen.

Intellectually they seem to have trouble putting arguments together but rather rely on formulas which they recycle endlessly. For example, they commonly call those they disagree with their killing of Palestinian children — anti-Semitic, a simpleton's form of mud throwing, but they have trouble stringing a logical argument together.

The above mentioned supreme court judge doesn't not even seem to understand the purpose of the law. She just wants to use the law to get her way. Really stupid for someone at her level.

So I googled Jewish genetic diseases and got all kinds of Jewish fundraising web sites. The Icaan Foundation etc etc. They obviously know they have huge DNA problems. One British site came right out and said the problem was caused by inbreeding or to be less polite — incest — having sex with close members of your own family.

The site said each Jew has a 20% chance of carrying a genetic disorder so each Jewish couple has a 40% chance of passing on a genetic disorder which stays in the Jewish population forever — and solely because of depraved sexual habits.

The American Medical Association has at times argued that easy access to guns is a cultural medical problem and they want to stop it. As any dog breeder knows in just a few generations inbreeding can create dogs that are weak, very susceptible to diseases and animals that are really dumb.

If the American Medical Association really wants to reduce public health costs linked to cultural traits, such as easy access to guns or incest, maybe what they should really be doing is encouraging Jews to stop reproducing.

@Elder of Zyklon-B

You mentioned "stupid women who worship the Jewish beast."

Out of that vile beast comes the growing element of the homosexual community through the assistance and support of the courts, educational systems, and the entertainment industry shoving it down our throats.

How many times in society have I seen these stupid women, especially those of white European descent, supporting that disgusting life style by fawning over homosexual men thinking they are such gentle and sweet souls.

Recently my wife attended her niece's bridal shower. Her niece had invited two male homosexual couples bearing gifts, and even showing displays of affection while at the shower. My wife was so disgusted, she stated she was not feeling well and excused herself and came straight home.

On a separate note: Here is a link regarding the domestic violence issue (of course no surprise there), within the NFL:

WHY Jews forbid THIS book (below) to be translated to English and sold in America (and in Europe) and they make our children in the school to read homosexual books instead?

**"TWO HUNDRED YEARS TOGETHER"- Aleksandr Solzhenitsyn.**

PDF version - English translation of some chapters...(Thanks for those that help to translate

it)..Now OPEN to everybody!

Love to read wise grandpas.

This grandpa here is very wise. Always enjoy looking the demonic faces of these Jews. I noticed Nathanael always emphasize putting pictures of faces of these evil soulless capitalists whose almighty god is money & profits.

Because face, eyes reflect human feelings or soulless beings. In most cases these soulless capitalists do reflect soulless demonic beings. there is no doubt about it.

Truly enjoy looking at faces, and sure these soulless capitalists do a great job to analyze, study their faces.

Thank you. Deeeeeeeeeep love on earth!

Addenda,

The intellectual world most closely linked to Jewish culture, and popularly thought of as the "Jewish sciences" are theory and not fact-based sciences.

They include psychiatry, sociology and psychology whose role is to learn how to manipulate human behaviour, and while you must have hard scientific facts, in say for example metallurgy, to do things like make a diesel engine that is not neccessary with the theory based sciences.

The highly celebrated Freud, for example, was nothing more than a sexual weirdo. As they say BS baffles brains.

The Jews seems to be highly skilled at using associations to manipulate perception. That is exactly how Hollywood operates. Thus in the old cowboy movies the good guys wore white hats and the bad guys wore black hats. Steven Spielberg's Russian Jewish Mafia wears Christian tattoos.

Nowadays all movie detectives, including Inspector Columbo, operating in sunny southern California, wear raincoats to identify themselves as detectives. Its all about linking associations to create a false reality and it has nothing at all to do with the truth. Pure propaganda.

If you watch Jewish scientists on the TED talks you will begin to see they use word associations to develop points and to baffle people. That is less the case with brighter people such as British academics for example.

A new Amazon series, "Transparent" stars actor Jeffrey Tambor, who plays a grown man who decides to become a transgender female.

When I saw, this I immediately looked to see if the show's creator was a Jew and surely enough I was right! Jews are seriously messed up people.

Thankfully this won't be on broadcast television!

Notes on piling it on.

Did you ever notice that in the course of trying to create a phoney intellectual icon, a "piling it on" tactic is used. The Jewish owned New York Times often leads this kind of extravaganza.

First they endorse a Jewish scientist as the greatest intellectual of our day. These heroes then give speeches at universities full of words with so many syllables that their ideas are incomprehensible, leading many to assume they live on another intellectual plane when in fact all they are doing is talking BS.

This "achievement of nothing" is followed up with the piling on of financial prizes, and honorary degrees to positively reinforce the importance of the individual who in most cases is just another "Cohn" artist.

For example, Elie Weisel, the Hungarian holocaust survivor who doesn't speak Hungarian, has gone this route accumulating a Nobel Prize, tons of honorary degrees and an estimated \$150 million in perks for prattling utter drivel.

The only real intellectual skill most of these people have is good public speaking manners and the ability to dress well.
